

### Directions for printing tract:

If you are reading this, you've already opened this file in Adobe.

1. Place cardstock (can get it cheap at Wal-Mart in all different colors in 8.5" x 11" size) into printer.
2. Pull down your file menu and select "print"  
Print page 2
3. Turn your cardstock over and place it back into the printer.
4. Repeat step 2 but tell it to print page 3.

Now cut it in half width-wise and length-wise and fold your pieces over. You now have a cool tract to put on bikes, leave in restaurants, etc.

# Jesus the Biker

He was a lot like you and me.  
The government didn't like him.

The church thought he was weird. His friends were few. What friends he had, denied him. He was persecuted by hypocrites. He hung around people like you and me, not the goody-two-shoes Pharisees. Yes, if Jesus were on this earth in the flesh, he would be next to you on his bike telling you he loved you...**enough to die for you.**
