**FORGIVEN CHILD OF GOD**

**A brief summary of what the Forgiven Child of God Motorcycle Ministry is all about.**

Thank you for your interest in the Forgiven Child of God Motorcycle Ministry (FCOG). Our goal as a motorcycle ministry is to serve the spiritual needs of the bikers in our community and attend as many

motorcycle-oriented events as possible. We are witnesses for Jesus Christ. Our efforts are not focused exclusively on any one particular group of riders (i.e. Harley riders, Honda riders, etc.). As a motorcycle ministry, we try to be wherever bikers are gathered. As Christians, we are to minister to anyone, anywhere, anytime the opportunity presents itself.

## Who We Are

As we all know, not everyone is called to the field of motorcycle ministry. Aside from being extremely fulfilling, it can sometimes be discouraging and exhaustive work. Some Christians feel called into a deeper level of servanthip, the area of ministry. FCOG was formed by people who were led to take the Word of God into the motorcycling community. FCOG is a ministry-oriented group whose main focus is (but not limited to) bikers. We are a biker ministry, not a fellowship group or Christian riding club.

We believe that "Jesus didn't have a dress code," therefore, we do not present a false image of ourselves to those we minister to. If you are like many of our members before getting saved, Christianity never held any

particular appeal. Unless we were willing to cut our hair, shave, and dress in a suit, we did not feel welcome in the traditional Church. Eventually, we realized we were just making excuses; we did not want to give up the sinful things in our life so we tried to come up with reasons why we would not give our lives to Christ. God is not the television Evangelist trying to steal our money, or the judgmental church person who is cross with us because of the way we look; those are just people. God is our Father, who sent his only Son to die for our sins, so that we could have everlasting Life!

We are all born into sin and therefore fall short of the Glory of God. All we ask is that each member strives to be Christ-like. As Spiritual growth takes place, personal growth is a natural part of the process. Getting rid of the worldly things in our lives is not something that happens over night. Through DISCIPLESHIP and making ourselves accountable to one another, we grow as Christians. Family and friendship are very important within this ministry. What better way to show others what Christ has done in our lives, than for them to see those who have joy in their lives as a result of accepting Jesus Christ as their Lord and Savior?

Christian fellowship is very important. FCOG holds Bible Studies, group rides, and attends bike events and rallies as a group. Although we understand the importance of fellowship, we are all about the WORK of the Lord. We won't forsake a ministry opportunity for fellowship. There is no limit

to the field of ministry; we try to have a lot of fun while answering the call God has placed on our lives.

## Our Colors

The FCOG colors consist of a two-piece patch, which is obtained through discipleship, spiritual growth, and participating in the ministry. Hang around with us at rides, rallies, bible studies and anything else we are doing, to determine if it is right for you. When you wish to join a local chapter, one of our members would become your sponsor. At that time, you would begin your discipleship training that will assist you in growing as a Christian, as well as prepare you for the field of ministry. The colors aren't for sale and can't be purchased; they must be earned during the discipleship period.

The M/M patch means we are a Motorcycle Ministry rather than a Motorcycle Club.

**We are a biker ministry,  
not a fellowship group,  
riding club, or motorcycle  
club. If you aren't  
willing to work and go  
places where others  
won't, F.C.O.G. might  
not be for you.**
